

PIONEER ACADEMY
PIONEER HIGH SCHOOL 9-12

What does Pioneer High School (online) Look Like?

What is the parent/guardian seeking? What are you used to?

ONLINE FORMATS: Parents/Guardians can request one of the 3 options, but the Pioneer Online School team may adjust the student's schedule based on performance and academic needs.

1. **PHASE 1: Independent Online Schedule: Minimum Standard** (*Requires the most support at home from parent/guardian*) This schedule uses Apex curriculum and is supported with a CCSD teacher with mixed grade levels. This format will use self-paced asynchronous lessons. It requires more support from parents/guardians, more student self-discipline, and ability to be independent for students to be successful.
2. **PHASE 2: Mixture of Full Remote and Independent Schedule:** (*Possible format with staffing information*) This format is a mixture of some independent lessons with Apex software and some full remote subjects with a CCSD teacher online.
3. **PHASE 3: Full Remote Online Schedule:** (*Staffing will Determine*) This is accomplished with a CCSD teacher using CCSD curriculum. This schedule mirrors the daily class schedule at a brick and mortar school.
